### What young Rochesterians want

6/1/2005 12:00 AM  
(WROC-TV)

Rochester's young professionals want more shopping, more police, and parking downtown.

(City Council's Center City Task Force forum)

Those were the themes at a forum Tuesday on downtown Rochester.

It was held by City Council's Center City Task Force.

They want ideas from young people on how to attract more people to downtown.

"I was held up at gunpoint outside of my building. I didn't know where to go because they closed the substation," says Erik Frisch of Rochester.

"There's a lot of potential here, but it's not being utilized," adds Chris Constanza of Rochester.

The task force is looking at letting bars stay open until 4 a.m. and creating more parking spaces.
